Office Memorandum • UNITED STATES GOVERNMENT

SPM 9-0996

TO : Chief, OC-E

DATE: 29 OCT 1959

FROM : Chief, OC-SP

SUBJECT: Yagi Array and Mast Development

1. Information recently received from [redacted] OC-E/R & D-E.P25X1
pertaining to [redacted] proposal number 1346G would
be acceptable except for one omission. The current proposal dated 17 Sep25X1
tember 1959, entitled E-1249 Tower and Yagi Antenna System, does not
specify as deliverable items the four ten element yagi antennas originally
requested.

2. It is requested that action be taken to accept this proposal only
after establishing the fact that antennas are part of this system. Funds
are available under allotment number 0533-3437-5913 for the expenditure of
\$16,400 to develop these two antenna array systems. Please contact [redacted]25X1
[redacted], for additional information.25X1
